

People's Choice Cook Pack

Pulled Pork and Ribs

Teams are encouraged to participate in these categories to help us fulfill our mission and to help recover some of the cost of competing. The time will run approximately three hours. (Noon – 3pm Saturday) Teams will vend to the public at their discretion, setting the amount and price.

Example: \$1 a bone or \$5 for 3 bones. You may sell sample size pulled pork or sandwiches. (Please, no price gouging) Sample containers or any other supplies will **NOT** be provided by the organizer. If you're not sure what to charge, please ask one of the teams that has vended other events.

Teams will keep the money. The public will vote for their favorite and we will award a first place trophy for ribs and one for pulled pork.

You will need a temporary food service permit from the health department to participate in these categories. You will also be allowed to vend your leftovers from NEBS and KCBS competitions all weekend. You will NOT be permitted to set up on the midway or use excessive signage. The spirit of this is for the public to try competition grade BBQ, help us increase the attendance and allow the teams to recover some cost and engage with the public while sharing their passion for food, fun and family.

NO SERVING THE PUBLIC WITHOUT A TEMPORARY FOOD SERVICE PERMIT
